

LIFE IS A VACATION

BPTP is the fastest growing real estate developer in the National Capital Region. In the 8 years since our inception, we've grown steadily and have left a lasting impression on the NCR's cityscape. We have attracted global investors like CPI, JP Morgan Chase & Co., and Merrill Lynch. BPTP has a land bank of over 2000 acres, and 35 million sq. ft. of residential and commercial space that has been sold and is under multiple stages of development.

Our strength lies in our ability to spot new opportunities and then develop and execute them in an efficient, organised manner. BPTP Parklands in Faridabad, a fully integrated and self-sufficient township, is proof of this strength.

Our extensive expansion in Faridabad has awarded the city an identity of its own and brought it into a position of utmost prominence in the ambit of the NCR.

Artistic Impression

The Resort

In the midst of Parklands is one of our most exciting offerings – The Resort – a contemporary, high-rise apartment community with multiple size options, equipped with the finest amenities. Phase – 1 of The Resort comprises six towers spread over 10.92 acres, allowing for low density living in the community and ensuring optimum access to resources for residents. Situated in the well-established Sector 75, The Resort is in close proximity to the proposed six-lane bridge over the Agra-Gurgaon canal. Positioned at the juncture of two sector roads, the community enjoys superior connectivity to the existing developed sectors of Faridabad. The most competitively priced option in the vicinity, The Resort also offers a special scheme in association with HDFC Home Loans*, with the option of paying no EMIs for one year.

*Decision to purchase a flat or take a home loan must be made after studying terms and conditions of the respective offers. This is a close-ended Pre-EMI Interest subvention scheme where Pre-EMI interest will be subvented by BPTP Ltd. for a period of 12 mths from date of disbursement. All loans at sole discretion of HDFC Ltd.

Laminated wooden flooring in bedrooms

Air-conditioned bedrooms

Wardrobes in bedrooms

Recreational club with swimming pool

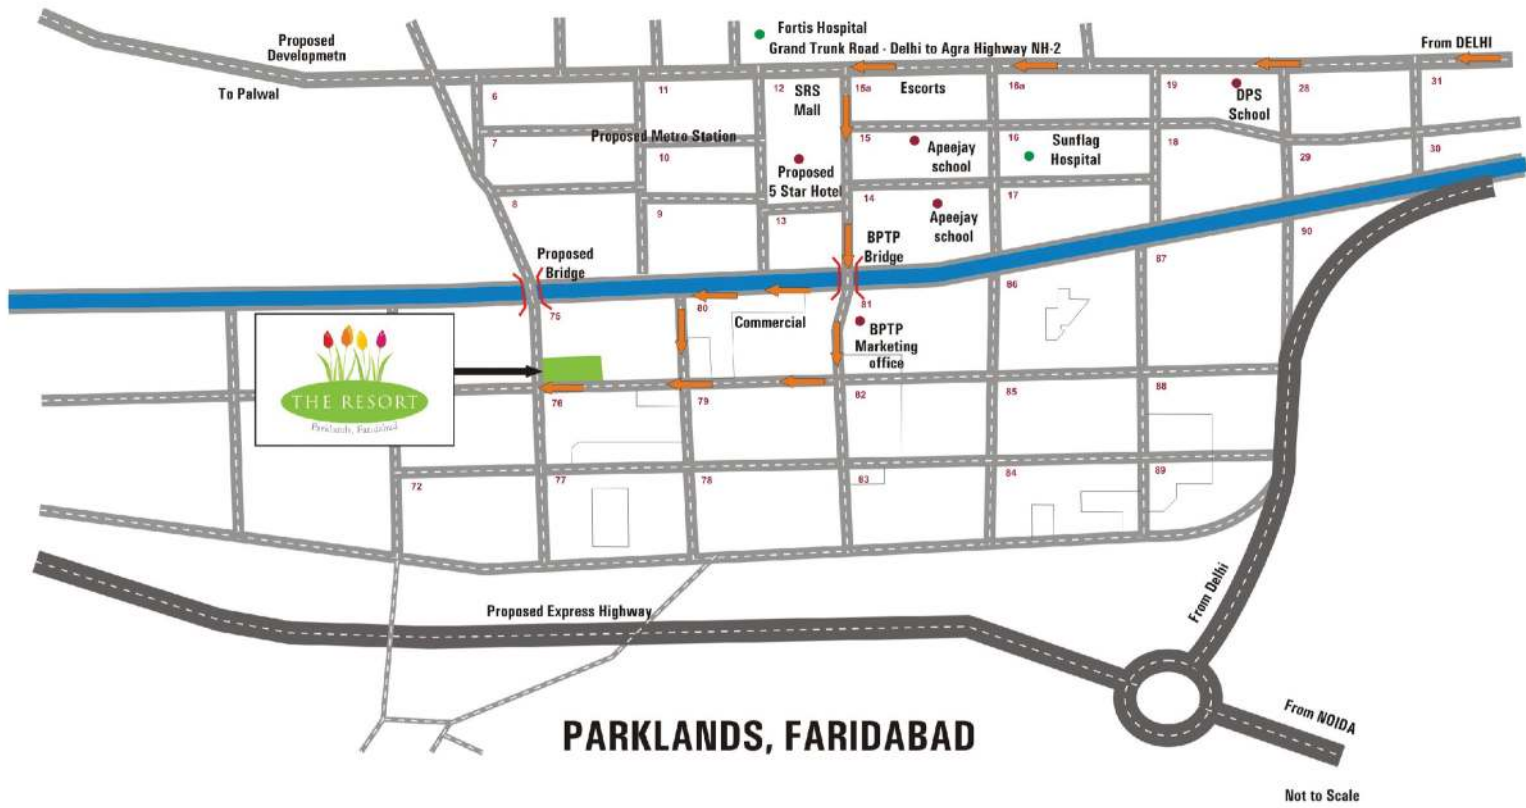

Half modular kitchen

Proposed 6-lane bridge in close proximity
